

AGENDA

Tuesday, March 8

6:30 PM **Dinner**

Wednesday, March 9

8:00 AM **Breakfast**

8:30 **Welcome and Introductions**
Walter Capone
Multiple Myeloma Research Foundation
Multiple Myeloma Research Consortium

8:45 **MMRF/C Background**
Kathy Giusti
Multiple Myeloma Research Foundation
Multiple Myeloma Research Consortium

9:00 **MMRF Personalized Medicine Plan**
Walter Capone

9:30 **Myeloma Overview**
Kenneth C. Anderson, MD
Dana-Farber Cancer Institute
Harvard Medical School

10:00 **Myeloma Overview–Summary and Discussion**

Partnership Perspectives

10:15 **Basic Science**
• *How do we advance the MMRF's Genomic Initiative?*

Hugh Martin
Pacific Biosciences

Jeffrey Trent, PhD
TGen/Van Andel Research Institute

10:45 AM **Innovative Clinical Trials**
• *How do we advance innovative trial approaches in conjunction with the MMRF Longitudinal Study?*

A. Keith Stewart, MBChB
Mayo Clinic Arizona

Kenneth C. Anderson, MD

AGENDA (CONT)

Wednesday, March 9 (CONT)

11:00 AM

Diagnostic Instruments

- *What advances in diagnostics are necessary to support Personalized Medicine treatment approaches in the clinic?*

David Parkinson, MD
Nodality, Inc.

Mark Lee, MD, PhD
Genomic Health, Inc.

11:15

Industry

- *How do we develop an open-access model that creates broad benefit from the MMRF Genomic Initiative and Longitudinal Study?*

Joseph Leveque, MD
Onyx Pharmaceuticals, Inc.

Susan Desmond-Hellmann, MD, MPH
University of California, San Francisco

David Parkinson, MD

11:45

Academia

- *How do we create an open-access model that builds on the MMRF Genomic Initiative and Longitudinal Study?*

Susan Desmond-Hellmann, MD, MPH, and Kenneth C. Anderson, MD

12:00 PM

Working Lunch—Investment Approaches

Walter Capone

12:30

Next Steps

Kathy Giusti

1:00 PM

Adjournment

PARTICIPANTS

Kenneth C. Anderson, MD
Dana-Farber Cancer Institute
Harvard Medical School

William Bowes
U.S. Ventures Partners

Walter Capone
Multiple Myeloma Research Foundation
Multiple Myeloma Research Consortium

Susan Desmond-Hellmann, MD, MPH
University of California, San Francisco

Kathy Giusti
