

Partner with a Restaurant for a Benefit Night

Caroline Edwards participates in our Atlanta 5K on team “The Becky Bunch”. To help meet her fundraising goal of \$10,000, Caroline hosted several fundraising events. Two of her events included partnering with local restaurants for benefits nights. Caroline says that many restaurants will work with you to set up a benefit night where a percentage of sales goes directly to the charity of your choice. She held these events at a local Chick-Fil-A and at a local pizzeria. Both of these fundraisers were very successful and helped her raise money for her 5K team!
