

Host a Happy Hour Event

The weekend before the MMRF 5K in Atlanta, Sarah Williams of team "Rodney's Roadrunners" hosted a happy hour at 9 Mile Station, which is a restaurant on the rooftop of Ponce City Market in Atlanta. Wild Heaven Brewery donated a keg of their Emergency Drinking Beer to the restaurant, and all sales from the purchase of Emergency Drinking Beer in the restaurant went to the MMRF! They raised \$1,000 throughout the event, and were able to spread the word about the MMRF to patrons in the restaurant who weren't necessarily part of the happy hour (via flyers provided by the MMRF). It was an awesome event, and Sarah looks forward to hosting another one soon!
